TABLE OF CONTENTS DVD-ROM EDITION

Instructions: Welcome to The Digital Bach Edition. This is an interactive Table of Contents. On the left side of the screen are links to documents and indexes for the complete edition. This disk contains all 46 volumes, and follows the volume numbers and page numbers of the original edition (in other words, the categories of works are not consecutive: Volume 1 & 2 are Church Cantatas 1-20, Volume 3 is Keyboard works, Volume 4 is the St. Matthew Passion, etc). For convenience in navigation, an alphabetical listing and a listing by BWV numbers are included. These listings are not interactive; return to this Table of Contents and click on the title of a work to view or print the work. Once a work is selected, the bookmarks on the left of the screen help navigate to sections of larger works or let you return to the Table of Contents. The “search” command may also be used to find a word in a title.
